Dear Resident,

ROAD CLOSURES IN KEMBLE SATURDAY 6TH JUNE

Peter Phillips, son of Princess Anne, has announced he will marry paediatric NHS nurse and freelance writer Harriet Sperling at All Saints' Church, Kemble on Saturday, June 6.

The low-key wedding is likely to be attended by a number of senior members of the royal family.

We are writing to advise residents of potential disruption in the village on Saturday, June 6th. The organisers are trying to minimise disruption to householders, but security and public safety mean some disruption is inevitable

Plans are subject to change at short notice but currently the following roads will be closed between 9am and 4pm

- Old Vicarage Lane (section opposite the church only)
- Road from church to Kemble Wick
- Church Road to School Road Junction
- Limes Road

The intention is to maintain pedestrian access to affect properties but you may wish to park any vehicles elsewhere during the closure period.

If you have your own event or arrangements that might be impacted by the ceremony at All Saints Church, please can you let us know as soon as possible.
